If you have any questions regarding SWE-Lowcountry profession-

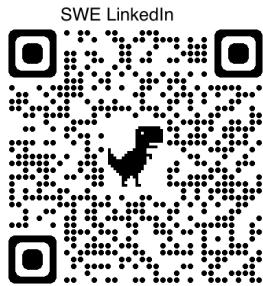

al development (PD), please contact us at professionaldevelopment@swelowcountry.org .

Membership

2022 Member Survey

Big thanks to everyone who completed our 2022 Member Survey! We are glad to always serve you. All of your inputs will be taken into consideration for our events planning.

The winner of the raffle is Erica Sampson!

Upcoming SWE Lowcountry Events

Lowcountry SWE members had a great time at Chucktown Axe Throwing on Monday! Join

us for our next social event for networking and a good time!

Partner Organizations

Charleston Women In Tech

Your Seat At The Table, Advocating For Yourself as a Woman in Tech, July 7 —Join us at the Opportunity Center's new location in North Charleston as we discuss how each of you can advocate for yourselves as women in tech! We'll gain insights from our panelists on how to claim our seat at the table starting

during the application and hiring process, all the way through applying for promotions and asking for raises.

Come ready to be empowered & inspired!

Code Labs Academy

Join for three online events with women who work in the tech industry. At each event, a speaker will share her experiences as a woman

in tech, what drives her, what she has worked on, and what motivates her. Join on July 7, July 14, and July 21.

Careers and Opportunities

Leadership Charleston

Apply now for the class of 2023

For 49 years, Leadership Charleston has offered an intensive and up-close look at the most challenging issues and opportunities facing our region. This

year-long program engages out region's brightest leaders in uniquely crafted experiences that inform and engage participants so that they can have a meaningful impact on the future of our region. Applications must be submitted by July 16. [Click here to apply.](#)

Volunteer Opportunities

FIRST South Carolina—South Carolina Robotics & Practical

Support FLL, FTC, and FRC students from across the Southeast as they push their robots to the limit at the first scrimmages of 2022! Help with field set-up and tear-down, logistics, A/V, match queuing, tech support, and more.

For further questions email Chris Cortez at CCortez@firstinspires.org.

WIID 2023

There are a few open chair opportunities for WIID 2023 that need to be filled. This is a great opportunity to get to

know engaged and empowered women in industry and plan an awesome event! Fill out the survey [here](#) by July 8th to take advantage of this opportunity!

Aspire.
Advance.
Achieve.

Lowcountry SWE

We're looking forward to serving you in FY22. If you have any suggestions for events, please send us an email! You can find all of our contact information here:

<http://www.swelowcountry.org/contact-us.html>

SWELOWCOUNTRY.ORG

Our mission is to stimulate women to achieve full potential in careers as engineers and leaders, expand the image of the engineering profession as a positive force in improving the quality of life, and demonstrate the value of diversity.

Our objectives include :

- Inform young women, their parents, counselors, and the public in general of the qualifications and achievements of women engineers
- Assist women engineers in readying themselves for a return to active work after temporary retirement
- Serve as a center of information for women in engineering
- Encourage women engineers to attain high levels of educational and professional achievement

Future Events

Girl Up Global Leadership Summit July 12-13, 2022 Online

The Girl Up Leadership Summit is an opportunity for youth leaders (ages 13-22) to gain the skills, resources, and confidence to make an impact on gender equality in their communities. Summit participants will learn from influential speakers, engage in skill-based workshops, and participate in a day of action. Live captioning will be available in Spanish, Portuguese, and English. [Learn More](#)

Network Gender & STEM Conference July 21-23, 2022 Neubiberg, Germany

This conference brings together researchers, educators, policy-makers, industry representatives, and the public to interrogate personal and contextual influences towards, or away from, diverse STEM pathways across stages and settings. Late

registration rates begin on July 13, 2022. [Learn More](#)

Technovation World Summit August 12, 2022 Online

Technovation's World Summit is a global event at the intersection of girls, technology, education, entrepreneurship, and social good. This year's summit is designed for the girls, mentors, parents/caregivers, and volunteers who participated throughout the year. [Learn More](#)

National Society of Black Engineers Stemapoolooza October 15 Charleston, SC

Join the National Society of Black Engineers Charleston Professionals in a day of inspiring science, technology, engineering, and math. Admission is free for K-12 students and includes STEM vendors and com-

pany presentations, career connections, fun interactive demonstrations, and meeting engineers and technical experts!

NCGS Educating Girls Symposium: Meaning, Mission, and Making Connections October 24, 2022 Nashville, Tennessee

The National Coalition of Girls' Schools (NCGS) symposiums are professional development offerings for educators, counselors, and administrators serving PK-12th grade youth globally to convene and exchange best practices for teaching and working with girls. This symposium will explore conversations related to inclusivity, belonging, and accessibility. [Learn More](#)
