

March Update

Lowcountry Society of Women Engineers

SWE had a great time at Introduce a Girl to Engineering Day!

Big thanks to the Citadel planning and our sponsors: SWE Lowcountry, CHS Girl Scouts, and Boeing!

Extra special thank you to all of the girls that attended and learned more about engineering and STEM!

SWE Lowcountry Events

Big thank you to everyone who joined us for our February (Musical Bingo) and March (Candle Making) social events!!

Continue to join us for social events and networking events throughout the year to meet more Charleston area women in STEM and have some fun!

Partner Organizations

CCSD St. Andrews School of Math and Science

St. Andrews is having a STEM night on April 27. They are looking for companies and groups to have interactive exhibits.

Reach out to juliane_seyle@charleston.k12.sc.us (teacher in charge of the event) for details!

St. Andrews is also trying to find grants / funding

for purchasing Lego BriQ materials. These kits are great for non-tech coding introductions and forces and motion for elementary students. Follow the link [here](#) for more information on the kits!

SAME

Join SAME for the 2023 Golf Tournament, Boat Dinner, and Industry Day! Find more information on their website!

ECPI

ECPI Advisory Board will be meeting on March 31st at 11:30pm and holding their National Honor Society Induction Ceremony on March 31st at 6pm.

Scholarships!

CEJC Scholarship

The annual Charleston Engineers Joint Council Bill Dull memorial scholarship is awarded to a graduating High School senior from the Lowcountry, who plans to pursue an engineering or technology degree. The CEJC will award CEJC Bill Dull Memorial Scholarships all at a minimum of \$500 at the discretion of our Scholarship Committee. The application deadline is April 21, 2023. Find more information on the web page [here](#).

SCSPE Scholarship

The SCSPE Scholarship is an annual award sponsored by South Carolina Society of Professional Engineers Educational Foundation, Inc.

(SCSPE).

Contributions to the Educational Foundation go toward providing scholarships to rising juniors and seniors studying engineering at a South Carolina ABET accredited Engineering School. Click [here](#) for more information!

NSBE Charleston Scholarships

NSBE Charleston has been awarding scholarships to deserving students in Berkeley, Charleston, and Dorchester Counties since 2013. Each year NSBE Charleston Professionals gives out scholarships for local High School and Collegiate students. We will be

highlighting some of those students to celebrate them and what your support of the chapter has been able to accomplish.

We aim to give at least **\$500** for each one, but the amounts and the number of scholarships vary, based on the yearly funding. Click [here](#) for more information!

ASQ Charleston Scholarship

ASQ celebrates the unique perspectives of our community of members, staff and those served by our society.

Click [here](#) for more information!

**Aspire.
Advance.
Achieve.**

Lowcountry SWE

We're looking forward to serving you in FY22. If you have any suggestions for events, please send us an email! You can find all of our contact information here:

<http://www.swelowcountry.org/contact-us.html>

SWELOWCOUNTRY.ORG

Our mission is to stimulate women to achieve full potential in careers as engineers and leaders, expand the image of the engineering profession as a positive force in improving the quality of life, and demonstrate the value of diversity.

Our objectives include :

- *Inform young women, their parents, counselors, and the public in general of the qualifications and achievements of women engineers*
- *Assist women engineers in readying themselves for a return to active work after temporary retirement*
- *Serve as a center of information for women in engineering*
- *Encourage women engineers to attain high levels of educational and professional achievement*
